

inputclass::in2\_input

```
graph LR; A[inputclass::in2_input] --> B[mpistub::mpi_comm_rank]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'inputclass::in2\_input'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mpistub::mpi\_comm\_rank'. Both boxes have a black border.

mpistub::mpi\_comm\_rank
